Gentlemen

Your note of late date does not give us sufficient information for us to say whether we can use the coins or not . However we enclose P. O. Order for $ 2.00 for which kindly send us a sample hundred . You do not say anything about postage so we suppose the $2. includes postage ? If this is not the case please let us know when you send the coins and we will return the amount used for that purpose .

GENTLEMEN

Your note is at hand and in reply we would say that your letters have given us so little information as to the character of the coins that we are at a loss how to act. If they are the common coins of Europe of the last 50 years we cannot make anything on them, so, as we do not know we will ask you to hold the $2 until we know whether we succeeded in getting any coins at your last sale, and we hear from you again.

Messrs Chapman

Gentlemen

We have concluded to take your offer of 25 Dollars ($25.00) for the specimens you sent us, although we have not heard from our correspondents of whom we wrote.

You seem to blame us for the time it took you to put up the specimens, BUT WE DID NOT ASK FOR ANY EXCEPT LOTS 4 & 13, so it is not our fault. In re. Spink. A gentleman in Canada wrote us that Spink had offered him Kruger pennies of that date for 10cts each. ALL WE KNOW.
